

GRAD NIGHT

CELEBRATE
THE GRADUATE
IN YOUR LIFE

Exclusive experiences
to safely celebrate
this milestone.

WonderTent Parties began with the adoption of our daughter, then 14, out of the Foster Care system in Los Angeles. A simple request to experience her first ever sleepover led to the creation of our *Signature Sleepover* and the start of our business.

Now a Senior graduating from High School, she has inspired us once more to launch the **Graduation Experience**.

The Graduation Experience is a way of ensuring that kids who had to endure a year of remote learning and social distancing get to celebrate this milestone safely, surrounded by family and friends.

As with all WonderTent Parties experiences, a portion of the proceeds from this experience will be donated to Kidsave to help other foster youth find their forever family.
